Plan of Study – Applied Mathematics

The degree candidate, in consultation with a faculty advisor, submits a tentative Plan of Study at the end of his/her first semester in the program and a final version of the Plan of Study by the end of his/her first year of study for approval by the Applied Math Graduate Chair. In addition to a listing of subjects related to the major field, the plan must include sufficient courses to assure familiarity with the basic concepts of Applied Mathematics.

Student: _____ Date submitted: _____
        (print name here)

Faculty   Date

Advisor: _____Revised: _____
        (print here)   *(signature here)*

Subject Number	Course Name	Semester & Year (i.e. Fall 2023)
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Briefly describe why this collection of subjects represents a sufficiently broad sampling of subjects for your intended area of study.
